Description

Ingmar Bolchoï est un noble féru des métiers du commerce, de la diplomatie et de l'ouverture sur le monde. Certes, il ne se sépare guère de sa morningstar, mais uniquement pour perpétuer la tradition familiale, et ne pas se sentir inutile envers ses compagnons de voyage. Il est fort et viril, mais a malheureusement hérité d'une certaine maladresse qui ne font pas de lui un guerrier dans l'âme.

Contacts / Friends

Cousin de Tatiana Ivanovna Lebeda, que la famille Lebeda lui a demandé de surveiller afin que celle-ci reste discrète dans certaines de ses pratiques.

Personality

Ingmar Bolchoï est avant tout un financier, professionnel de la tenue de comptes et des investigations qui pourraient y être liées. Il se destine, malgré la négligence de sa famille à son égard, à une grande carrière au service du commerce et des finances d'un grand royaume.

Additional Information

Other Notes

Investigator : Follow Up (Ex) :An investigator can roll twice on any Diplomacy check made to gather information, and receives the information for both results. This takes the same amount of time as one check. If the lesser of the two checks reveals false information, the rogue is aware of it. False information is not revealed in this way if the people she questioned do not know it to be false. This ability replaces trapfinding. Rogue Talents: The following rogue talents complement the investigator archetype: coax information, fast picks, follow clues, hard to fool, and minor magic*. Advanced Talents: The following advanced rogue talents complement the investigator archetype: hunter's surprise, slippery mind*, and thought reexamining.
